PRICE THREE CENTS

July Fourth Affair Succeeds in Spite of Rain

Excellent Fireworks Are Shown in Evening

Although rain marred, and nearly prevented altogether, the Independence Day celebration in Narberth, those who attended were unanimous in voting the affair a success, and in looking forward to other such gatherings in future years.

The celebration was officially opened at 2 o'clock P. M., by the raising of the flag by the Narberth Boy Scouts, while the band played the Star Spangled Banner. This was followed at 2:15 by a band concert, which continued until 3:00, when the races were begun. Rain unfortunately interfered at this time and the races had to be postponed until a latter date.

During the afternoon the affair progressed under the handicap of a persistent fall of rain. The speeches, which were to be held at 7:00 had to be called off, and it was likewise necessary to give up plans for the outdoor dancing. Mr. John A. Caldwell permitted the band to use his porch as a shelter from the storm, and the music was continued throughout the day.

At 9:30 in the evening, a most excellent fireworks exhibition was held on the old tennis courts at Elmwood and Essex avenues. A large and varied number of pyrotechnics were fired before a considerable crowd who braved the unsettled weather to witness the exhibition.

The community as a whole owes a debt of gratitude to those who conceived and backed this project. Thanks are due the many who so generously contributed to the fund, to Mr. Caldwell for the use of his lawn and the old tennis courts, and with his assistants, Messrs. Smith, Trimble, Taylor Henry, Cafferty, Smith, Baird Caldwell and Fred C. Patten, who so ably managed the financing; to Mr. Wynnie and Patrick McCourt who assisted in handling the fireworks, and in the general handy work, and to the Narberth Fire Company for the use of the chairs.

By permission of Council, and supervised by Street Commissioner Suplee, the streets adjoining Elmwood and Essex Avenues were closed off during the celebration. The speeches were to have been delivered by Mr. W. R. D. Hall, President of Council, Rev. A. S. Demmy, Rev. John Van Ness, and Rev. A. S. Walls, but, due to the continued rain, these addresses had to be omitted.

The lumber for the dancing pavilion was loaned to the Scouts by W. D. and H. T. Smedley, although rain prevented the use of the structure for the intended purpose. They have consented, however, to allow it to remain, so that the dancing can be held this Saturday evening, provided sufficient funds can be secured to pay for the music.

The postponed races will also be run off this Saturday. The events are open to all children of Narberth, and will begin at 2:00 P. M. Two very attractive prizes have been donated by Rev. Richard F. Cowley, which will be awarded to the winners in this Saturday's events. The races will take place on the old tennis courts.

The money collected for the celebration amounted to \$429.50 of which \$265.00 was expended for fireworks, and \$160.00 for the band. The balance of \$45.50 was turned over to the scouts to help pay the deficit on the refreshments.

Despite the disappointment caused by the bad weather, the affair gave excellent promise of the success of future celebrations of this kind, and Messrs. Patten and Caldwell, and the Boy Scouts can well feel that something has been accomplished.

Miss Marcella Syn, a Korean girl, will speak at the Union Twilight Service, July 16. Do not fail to hear her.

Narberth Ball Team Hits Stride

Prospects Are Bright for Second Half Victory

The Narberth team won its second Main Line League victory on Sat. July 1st, beating Strafford by a score of 12 to 3. Jefferis, pitching for Narberth, let Strafford down with only 3 hits and 3 runs, while his teammates pounded Noblett for 13 safeties and 12 runs. Dickie's hitting and the pitching of Jefferis featured for Narberth, while the hitting of Hamure featured for Strafford.

July 4th

In spite of the discouraging weather of the Fourth, the Narberth Baseball Team experienced quite a ray of hope and encouragement in the two games played on that day.

The morning game, played on the newly prepared grounds known as "Sullivan Field," below Rockland Avenue, and Wynnewood Road, Narberth, was witnessed by an unusually large crowd, considering the threatening overhead skies.

Berwyn, who has held second place in the Main Line League, fell before the masterly pitching of Jack Jefferis, a Narberth boy, now Captain of Princeton University Base Ball and Basket Ball Teams, who is in Narberth for the summer.

While scores for both morning and afternoon games show an excess of errors, yet considering the muddy and other unfortunate condition of the grounds, no unjust comment can be said in this respect.

The team made up entirely of Narberth boys, gives promise, under Manager Crowell, of developing into a very fast aggregation of ball players, and every support possible should be given it. No better appreciation in this respect can be shown than attendance at the games.

With Tuesday's games, the first half of the Main Line League Schedule was closed, with the exception of the postponed games which will be played the

(Continued on Page 4)

ROLL CALL

After a conference between representatives of the Southeastern Pennsylvania Chapter of the American Red Cross and representatives of the Welfare Federation, it was announced that as the Federation's campaign is to be held in October and does not in any manner conflict with the National Roll Call of the American Red Cross which is to be held between Armistice Day and Thanksgiving, the Red Cross is to hold its Roll Call separately, its activities being national.

It is planned that the Red Cross workers shall assist in the Federation's appeal for funds, and the Federation purposes to co-operate with the Red Cross in its Roll Call.

The FIRESIDE

Baseball today at Sullivan Field, South side, Strafford vs. Narberth.

Allan and Beety Gwynne, of Carmichael, Pa., who spent the 4th with the Chalfants at 128 Chestnut Ave., returned home on Wednesday, accompanied by Miss Jean Chalfant, who will spend some time at their cottage on Cheat River.

Mr. and Mrs. A. J. Newell and son, Jack, of Chestnut Avenue, are spending the month at Atlantic City.

Mrs. R. D. McGuffin and daughter, Peggy, are visiting friends at Manchester, Ohio.

An entertainment was given on Friday, June 30th, by Virginia Eyre, and Jean Staples for the benefit of the Holiday House. Those taking part in the vocal numbers and recitations were "Jack" and "Bill" Caldwell, Janet Caldwell, Virginia Eyre, and Jean Staples.

Mrs. J. S. Harris is visiting her sister in East Orange, N. J.

Mr. and Mrs. Phillips, of Atglen, Pa., are visiting their daughter, Mrs. E. Marsh, of Woodside Ave.

Miss Aletha Lamb entertained Saturday evening, July 1, a few of her friends including Miss Elizabeth Fisher, of Merion, Miss Marion Smith, of Wynnewood; Miss Ruth Smith; Mr. Roy Smith, Mr. H. rold Reiss, Mr. Fred Hettenback and Mr. Waldo Kurtz, of Ardmore.

Mr. and Mrs. E. S. Mitchell, of Richmond, Va., spent several days with Mr. and Mrs. H. A. Jacobs, of Elmwood Avenue and Wynnewood Road.

Mr. J. G. C. Hamilton, the sculptor of Hartford, Conn., and Mrs. Hamilton, are visiting their son, J. G. Hamilton, of Merion Avenue.

The Misses Peggy, Anne and Teresa Shen, Miss Marie Collins, and Miss Adele Carey, are the guests for a week of Mrs. Mark McGrillas at her cottage at Stone Harbor, N. J. Mr. and Mrs. McGrillas, formerly of Woodside Ave., has purchased a home at St. Davids, Pa., where they will move in the Fall.

Mr. Barry S. Mellor and family are at Ocean City.

Mr. W. H. Benjamin motored from Washington, D. C., on Saturday, July 1st, to spend the Holidays at his home on Stewart Ave.

Miss Peg Burrell, of Merion Ave., is spending several days visiting friends in Pittsburgh.

Mr. and Mrs. Robley A. Warner, of North Narberth Ave., have returned from a two weeks' motor trip to Mrs. Warner's old home in Chambersburg, Pa., and also a visit to friends in Gettysburg and vicinity. They were accompanied home by Mrs. Thomas C. Hays, of Emmitsburg, Md., who will be their guest for a fortnight.

Mrs. S. L. Jones, of Windsor Ave., is stopping for a week at the hotel Strand, Atlantic City.

Miss Irene Boughner, of Hazleton, Pa., is visiting her cousin, Miss Estelle Cobie, of Essex Ave.

Mr. George W. McClement, of Conway Ave., has opened an attractive "Shoe Parlor" in the Rialto Theatre Block, Germantown.

Miss Ebba Sjolholm spent the weekend at Eaglesmere, Pa.

Mrs. C. E. Kreamer has gone to Asbury Park for the summer.

Big Public Mass Meeting is Called to Discuss the New School Building

Every Taxpayer and Parent Should Attend Gathering. Next Friday Night at School Building

The gradually increasing lack of school accommodations for the children of Narberth is the cause of much concern to many parents and the Board of School Directors.

This is particularly true of the elementary department, the first four grades of which were on part time during the school year just closed. The same grades will be on part time for another year or at least until additional building is provided. The school has grown beyond the conception of any one familiar with its earlier history. The present grade building has been in commission only about three years and although it provides eight more class rooms than the school possessed in 1919, it is already greatly overcrowded. It is clear that additional facilities must be furnished very soon if Narberth children are to obtain the education which the Borough owes them. The Board of Directors were unable to act in the matter while the borrowing capacity of the Borough was limited to a figure based on the old assessed valuation.

Now that the valuation has been raised, the borrowing capacity has been increased to a point where it will be possible for the Board to negotiate a bond issue, providing the voters authorize it, for an amount sufficient to afford school facilities for several years to come. The Community Playground matter has now also been settled and that leaves the Board free to locate any new building that the voters may decide upon, on the present athletic field, thus avoiding the necessity of condemning and purchasing improved property in some other location for either school or athletic field purposes. Plans have been prepared for a new building and submitted to a few citizens for preliminary inspection. So far the plans have been approved, but it is the desire of the Board to submit them to the entire electorate of the Borough before taking the necessary legal steps toward calling for a vote on a bond issue. Hence every citizen of Narberth is urged to be present at a meeting to be held in the School auditorium, on Friday evening, July 14th, at 8 o'clock.

The architect will be present and will exhibit the plans publicly, explaining them in detail, and prepared to answer questions regarding them. Suggestions and criticisms will be invited. This is a very important matter affecting the interests of Narberth vitally and hence a full attendance is earnestly desired.

Remember the date, July 14th.

ANSWER ARDMORE CALL.

On Wednesday of this week, at 4:30 A. M., the Narberth Fire Company was summoned to assist in quenching a fire which imperiled the lives of a number of Ardmore residents.

About \$5,000.00 worth of damage was done by the flames, which were extinguished in an hour by companies from Ardmore, Bryn Mawr and Narberth. Seventeen members of the Narberth crew responded to the call.

The new whistle, recently installed at Elm Hall, was used to call out the firemen. This whistle consists of two horns, pointing in opposite directions, each of a different pitch, producing a loud, penetrating chord. On Wednesday, however, it was found that a number of the fire fighters failed to hear it, and it was allowed to blow for a considerable length of time, much to the annoyance of many residents who were kept awake by the monotonous droning of the alarm.

It has been decided that the new type of whistle is unsatisfactory, and the old abrupt, descending alarm, familiar to Narberth for over six years, has been restored. The firemen, however, have now ordered an electric siren, similar to that employed by the Bryn Mawr Company, which is expected in the course of the next two weeks. This new instrument, which has a range of some five or six miles, cannot be confused with railroad whistles, auto horns, etc., as was the old one, and should answer its purpose very well.

CHAMBLEY-DUNCAN

Mr. R. G. Duncan, of Shippensburg, Pa., announces the marriage of his daughter, Margaret Isabel, to Mr. Joseph H. Chambley, of Narberth, Pa., Road, Brookline, Pa., after August 1st, near New York City. Mr. and Mrs. Chambley will be at home on Oxford Road, Brookline, Pa., after August 1st, 1922.

Mr. and Mrs. Henry Smith and children, of Conway Ave., left last Saturday for a two weeks' visit to Troy, N. Y., which is Mrs. Smith's former home.

YE GLORIOUS FOURTH

The second game in the series between the Elm Terrace Married Men's Defense League and their sons, Independence Day in the afternoon. After watching the splendid game which Narberth won against Berwyn in the forenoon, the MMDF got their spunk up. Who was it said "They never come back." They did. The rain put a stop to proceedings in the seventh inning (oh lucky seventh) with the kids on the wrong end of a nine-eight score.

True each side had a pitcher knocked out of the box, and the kids finally had to call to their assistance Messrs. McIntyre and Zimmer, the latter putting up a good pitching game but to no avail. The MMDF came out strong in new uniforms and had as a mascot and fielder Miss Mary Yocum who was a success. Their first baseman Litchfield had knee breeches too. You know, "No metal can touch you." Rightfielder Ross poked a three-bagger out and had to rest on third base, or it might have been a home run. Dad Heckle put them over in good style, and the only real hits of the game were by the married men. Even Wolf got a fair wallop once. There was only one disturbance, an argument between the first baseman and his Dad, but you might know who won that argument, then, and later. That's one advantage of these games. The grand stand was filled with rooters, with their knitting, and the psychology experts were all with the Dads.

When the rain dispersed the crowds, a few wise ones knew where there was liquid refreshments, and well it was a grand and glorious afternoon anyway. Next game, Labor Day.

The Reporter.

MRS. MARY E. DANFORTH.

Mrs. Mary E. Danforth, sister of Mrs. James P. Rowbotham, passed away on Monday evening, June 26th, while visiting her daughter-in-law in Reading, Pa.

Mrs. Danforth has been making her home in Narberth for several years, and in that time has made many friends. She was a charter member of the Holy Trinity Lutheran Church, Narberth.

OF VITAL IMPORTANCE

The new plans, soon to be announced by the Board of Education, for a considerable enlargement of our present school facilities, is, without doubt, the most important question ever brought before the citizens of Narberth as a whole.

With four grades now or half time, with crowded rooms, overtaxed teachers, and insufficient equipment, the present condition of our local educational system is laboring under a great handicap.

Most of our taxes go to the schools; the education of the children is the greatest single problem of a community and Narberth has a child population far out of proportion to the average. The question of school maintenance has always been one of the biggest subjects for discussion in Narberth, and the school now faces its greatest problem.

The mass meeting, called for next Friday night, should be attended by every parent in the Borough interested in the welfare of the children, and the intelligent handling of the public funds represented by his taxes. No other engagement should interfere with this meeting; no other matter is more important.

PAY AS YOU ENTER.

They've done it. While the Editor was out of town the railroad company took advantage of the opportunity to convert our heretofore dignified train service into a near-trolley line.

It is a matter of great displeasure to motorists and travelers to have the highways and rail routes walled in by high poster signs; it hurts the eyes of country lovers to have the panacea for their liver and kidney ills hurled at them from every barn, but to have posters lined up before the eyes of the tired commuters is nearly the last straw.

The suburbanite who used to brag of the dignity and restfulness of our electric trains, now hangs his head in shame. Now, while awaiting supper, must he have the virtues of his breakfast food told him.

Now, when speeding bright and early to the city, must the waiting hand of death be shown by some insurance ad or other.

Now, indeed, is the time ripe for straps to be installed, for a "Pay as You Enter" sign to be painted on the cars, and for the conductor merrily to ring the fare indicator as the commuters of the wealthy and famous Main Line board the cars.

If this be done, our joy will be complete.

REDUCING AUTOMOBILE ACCIDENTS

The record of automobile accidents now occurring all over the country is appalling, but it can be reduced, in spite of popular tendencies to reckless conduct.

In Detroit, a campaign to educate the public to automobile dangers has succeeded in cutting the number of these fatalities in a year from 240 to 134. In Massachusetts in 1920 there were 11,055 drivers and passengers in automobiles injured. A campaign for better driving was promoted in 1921, with the result that the number of drivers and passengers injured was reduced to 5,744.

This year in Massachusetts special efforts have been made to educate pedestrians to show more care, as in many cases they are the ones to blame. But a very large part of the victims of such accidents are children who run out into the street in front of automobiles, and dealing with them is a special problem.

Drivers must never expect that children will use sound sense, and they must run slowly while passing groups of them along the side of the roads. The habit of playing ball in the streets is one of the most frequent cause of accidents. Many children will persist in running after a ball when it falls in front of an approaching car, and they frequently do so when the car is so near them that the driver cannot possibly stop unless his machine is running very slowly. The modern child needs to be educated in street dangers just as much as in arithmetic. Those that show disregard of such instruction need some kind of a penalty that they will remember.

The best way to educate drivers to the need for extreme caution in running through crowded streets is to take away the licenses of all who are caught doing wrong things. The knowledge that a man will probably be taken off the highways if he does not show prudence and courtesy is more educational than any warnings in the shape of mere words and threats can be.

PICNIC ON LATCH'S FARM.

Having a picnic on the Fourth of July on Latch's Farm has become an annual custom. For many years Mr. and Mrs. Winfield Latch have welcomed their friends and neighbors to their spacious lawn and fields for the Fourth of July frolic and feast. A feature of Tuesday's events was the ball game between single and married men, called at 3 P. M. On account of rain the game was stopped at the end of the fourth inning. It was claimed that the score was then 7-6 in favor of the single men. No one knows what it might have been claimed had the entire game been played. Mr. Nate Montgomery pitched for the married men and Postmaster Haws, of Narberth, for the single fellows. Mr. Luther C. Parsons officiated in a most creditable manner as umpire.

A pinochle game organized by Mr. Latch, consisting of Messrs. Haws, Kreps, Greiner and Messrs. Brownback, Moore and Latch, resulted disastrously to the latter aggregation.

Good use was made of the piano during the evening, when all gathered around and sang a very complete repertoire of popular and patriotic songs.

Among those present were: Mr. and Mrs. Charles W. Latch and family, Mr. and Mrs. Geo. G. Latch and family, Mrs. Chas. Latch, Jr., and family, Mr. and Mrs. Benoit and family, Mr. and Mrs. Montgomery, Mr. and Mrs. Moore and family, Mr. and Mrs. Douglas, Mr. and Mrs. Doremus Brownback and family, Mr. and Mrs. Philip Muller, Mr. Chas. C. Schmidt, Mr. Owen Schmidt, Mr. Harvey Brownback and family, Mr. and Mrs. Ehly, Mrs. Irthe, Mr. and Mrs. Jansen, Mr. and Mrs. Luther Parsons, Mr. and Mrs. Jacob Greiner, Mr. Walter Latch and family, Miss Margaret Latch, Mrs. A. Keech, Mr. Russel Markle, Mr. Moore, Mr. and Mrs. Stewart, Mr. and Mrs. Krepps, Miss Sara Latch, Mr. Joseph Woodward, Mr. Earl Woodward, Miss Edith Ingram, Miss Ruth Woodward, Miss Peggy Nice, Mr. and Mrs. Edward S. Haws, Miss Marian Haws, Miss Ruth Haws, Miss Mildred McMoran, Mr. James Lavell, Miss Mary Lee, Miss Lucy Christian, Mr. John Lackman, Mr. Deacon, Mr. John C. Nash, Mr. Edward Nolan, Mrs. Gillette and family, Mrs. Schmidt, Mr. Edwin Beyer, Miss Peggy Nyce.

IN THE PARK

Narbrook Park was the scene of a real old-fashioned Fourth of July Celebration on Tuesday last. The festivities, which were planned under the direction of Mr. George A. Mahl and Mr. A. E. Wohlert, began at 11 o'clock in the morning with a program which included feats for both young and old. Games of all description for the children, with races, for which numerous prizes were awarded, came first, and continued until two o'clock, when the older people tried their skill in several competitive games, including a most exciting equestrian tournament.

Recess followed from two until six, at which hour the families gathered on their respective porches, or visited back and forth until eight o'clock, when a rendezvous had been arranged for at the home of the Wohlerts. Here refreshments were served, from a large table set on the porch, and everyone ate, drank, and made merry. Mr. Wohlert took the opportunity to announce the award of a silver cup to be made by him for the best kept grounds of any house in the Park. The competition, which is to be an Annual one, will close in the fall, and the winner for three successive years will become permanent holder of the cup.

The company next proceeded to the porches and grounds of Mr. Mahl, from where they had excellent views of the fireworks display in the town and vicinity, making an appropriate finish to what was unanimously conceded a perfect Fourth.

Mr. Charles M. Irwin and family have returned from a trip to Boston.

LOST on Thursday, June 22nd, on way to station, gold breastpin set with amethyst and pearls. Valued as keepsake. Reward. Phone 1245 M. Address, M. Lynch, 219 Essex Ave., Narberth.

A TAX CONVENIENCE

Announcement has been made that the 1922 County and State taxes will be payable at the office of the Merion Title and Trust Company.

The bank now has in its possession duplicate tax records from the offices of the County Treasurer, and all matters relating to the payment of these taxes may be completed at this office.

The new arrangement will be a big improvement over the former method of collecting these taxes. It was the plan, in the past, for the County Treasurer to send out no notices, and unless a taxpayer wrote for information, the first intimation he had of his indebtedness was a bill from the Delinquent Collector, with a penalty added.

The County rate is 2 mills, and the State tax is 4 mills. Taxes will be received at the Trust Company office from July 1st until July 28th. The service is rendered purely as a convenience, and it is urged that the matter be attended to by the taxpayers without delay.

M. C. A. Auditorium.

Sunday School at 9:45 A. M.

Regular Service at 10:45 A. M.

All are invited.

Baseball

(Continued from page 1)

coming Saturday as follows: Wayne at
Berwyn, and Stafford at Narberth.

On Saturday a week, the second half
of the Main Line League will be
opened, with Narberth at Ardmore, and
and it is hoped that the Narberth team
will give a far better account of itself
than during the past first half of the
season.

The afternoon game played at Wayne
was a see-saw and heart-breaking af-
fair, during the greater part of which
time the rain fell heavily, and while
Narberth came out at the losing end,
yet the Wayne team was outplayed at
almost every part of the game.

Yowell's three two-base hits fea-
tured.

Stafford.	2	6	.250

Notes of the Game

Mud!

Stafford plays Narberth at Narberth
today at Sullivan Field at 3:30 o'clock.

Yowell made three two-base hits at
Wayne in the afternoon. Some record
for one game.

The Narberth Rooters were in evi-
dence at Wayne in both games. Good
clean rooting is wholesome and boost-
ing.

On July 15th, the first game of the
second half of the Main Line League
will be played with Narberth at Ard-
more.

It is sad that two thousand Wayne
rooters witnessed the Wayne-Narberth
game on Tuesday, to see their team
clinch the championship of the first
half of the Main Line League. It was
a close shave for Wayne that Narberth
did not register a victory, for it was
anybody's game until the very end.

Such a large crowd was fully un-
expected at the morning game at Sulliv-
an Field, at which new location the
parking facilities afforded an unusually
good opportunity for viewing the game.
Manager Crowell hopes to have the
grand-stand in place before the next
home game takes place.

Captain Jack Jefferies, of Princeton
University Base Ball and Basket Ball
teams, we welcome you! Narberth is
ever proud of her boys who do so
much to show the outside world that
it can produce real manly fellows who
excel in Athletics. Much was said
some time ago, regarding Captain Owen
Humphries of the Annapolis Base Ball
team, who is likewise a Narberth boy.

WHAT—WHERE—HOW?

What is it opens every Friday at 2 P. M., closes at 5:30, opens again from 7 to 8:30 P. M.? The Narberth Community Library, of course. And do they have the new books there as they do in the big city libraries? Yes, indeed, and you have a better chance to get them in Narberth than in Philadelphia, for there are fewer people here than in the city. And you do not have to belong to the Community Club. You just give us your name, and man or woman, you may choose your books—ten cents a week for the newest books, and free use of the older books. So join the lovers of books and come in to the Y. M. C. A. building some Friday and visit us.

On the left of the receiving desk you will find a stack of books marked reserved. Here are such books as Tarkington's "Gentle Julia" and "Comings," by Dawson's "The Vanishing Point," both very new and very popular, just what you would like to read while taking it easy in the hammock. Perhaps you are a student and must read something before the next school term. We have "Modern Essays," edited by Morley; modern British poetry, Undermyer; "The Story of Mankind," by Van Loon, and "Up Stream," by Ludwig Lewisohn.

Across the room from the Senior Section, I see nine boys and girls reading books, talking books and discussing the merits of what they have read. So pay us a visit and read at our magazine table while you watch the workings of our small but enthusiastic library.

ENTERTAINMENT.

Nearly a score of prominent residents of Philadelphia came to Narberth on July 4th to celebrate the day as the guests of Mr. and Mrs. John Curtis, 406 South Narberth avenue. There were games and sports of various kinds, and favors taking off some hobby or characteristic of each guest were distributed. The place was handsomely decorated, and supper was served on the porch. The evening was devoted to music.

Mr. Curtis is on the editorial staff of the Bulletin, and is the recognized authority in Philadelphia and elsewhere on the history of grand opera, particularly in Philadelphia, where he has directed thirty-five productions. Mr. Curtis, Jr., is a widely known orchestra and chorus conductor, composer and teacher of music.

Among the guests were Arthur Lewis Tubbs, dramatic and music editor of the Bulletin; Dr. and Mrs. Frederick Wilcox, Russell King Miller, organist and director of music at the Pennsylvania Institution for the Blind, Overbrook; Lewis Easby, well known bass soloist of Narberth, and Mrs. Easby, Maude Holzer Evans, concert artiste and soprano of St. Paul's Presbyterian Church; Miss Elizabeth Doerr, concert violinist, and Joseph Moset, baritone soloist.

ATLAS PORTLAND CEMENT

THE last quarter century has seen a big change in things built—a change largely caused by building materials—a change from temporary to permanent structures.

The skyscraper, the efficient factory, the modern home and farm would be impossible as we find them today—without concrete.

The concrete structure safeguards money invested, safeguards life, and safeguards the property or stock it contains. Through the last quarter century, used on all types of building, Atlas Portland Cement has come to be generally known as "the Standard by which all other makes are measured."
